Dated: 15 Jan 2026

INTERNSHIP CERTIFICATE

This is to certify that **Bhavsar Mahek** has successfully completed a **120-hour** internship at **TAG97** as a Frontend Development Intern during the period from **December 2025** to **January 2026**.

During this internship, the intern worked on project-based tasks and gained practical exposure to frontend development. The internship included learning and applying basic **Angular 21** concepts, such as component structure, data binding, services, routing, and basic form handling. As part of the program, the intern developed a frontend project, focusing on functional implementation and clean user interface design.

The intern also gained an understanding of modern frontend development practices and collaborated with team members while following basic agile workflows. Throughout the internship period, consistent effort, a positive learning approach, and steady improvement in technical skills were observed.

We appreciate the intern's contribution and dedication during the internship and wish the very best for future professional endeavors.

Regards,

Authorized Signatory,
TAG97
